Inside one of the homes on Aquashplash, we see the front door, all glass with metal trim. The Star-captains are standing outside on the other side of the door. The doorbell rings.

CUT TO:

LAZY TURTLE SECONDARY floats over to the door, looking at a phone with a sea shell backing. They resemble sea turtles. Slow moving. They talk like teenagers with that drawn out, lazy way of talking with accompanying eye rolls. LAZY TURTLE SECONDARY hits a button and the door slides open. We see the Star-captains outside wearing underwater suits with large transparent dome helmets.

FINN
Uh, Hi! I think someone called about an emergency?

The Turtle looks down at his phone and keeps scrolling before saying.

LAZY TURTLE SECONDARY
Starforce is here…

LAZY TURTLE MAIN looks up from her phone.

LAZY TURTLE MAIN
Oh… Starforce. Like, thank goodness you’re here and stuff. We like totally need your help.

FINN
Okay! We love to help! What’s the emergency!?

LAZY TURTLE MAIN
Can you guys like… take out our trash?

Crash pan over to a conch shell shaped trashcan absolutely overflowing with garbage. Crash pan back to the Star-captains.

FINN
…You…want us to take out your… trash?

LAZY TURTLE MAIN
Yeah… that would be so great…

FINN
Uh… Okay. I guess we could do that.

Cut to them outside by a dumpster, dropping the bag of trash in it. Cut back to inside the house.

FINN
Okay, Done! So was that the big emergency?

LAZY TURTLE MAIN
Oh noooo! That was just like, one of the emergencies. Can you like, clean our room?

EMMY (Annoyed)
Clean your room!? Why can’t you do that yourself?

LAZY TURTLE MAIN
Oh it's like, so hard.

LAZY TURTLE SECONDARY
Yeah, it takes forever… You guys can do it so much faster…

COCO
You really shouldn’t call Starforce if it’s not a real emergency.

LAZY TURTLE MAIN (Deffensive)
Oh, my mistake. I thought you guys, like, help people with their problems and stuff.

EMMY
(Sigh) Okay, since we’re already here, I guess we can help you clean your room.

LAZY TURTLE MAIN (Looking at phone)
Uh, you guys are the best!

CUT TO: BUBBLES and FINN picking up a dirty sock in a messy room. Then CUT TO: Star-cadets back with the turtles.

COCO
Is that it?

LAZY TURTLE MAIN
I need help with my homework!

CUT TO: COCO looking over a book with LAZY TURTLE MAIN sitting there with a pencil.

COCO
So you have to add the numbers in this column to get the total.

LAZY TURTLE MAIN
(Leans head back)
Uhhhh… Can you just do it!?

COCO
(Takes deep breath)
Here, I'll do an example.

COCO starts writing. LAZY TURTLE SECONDARY pops his head in.

LAZY TURTLE SECONDARY
Hey, Starforce, when you're done here, can you, like, go to my cousin's house? He needs help too…

COCO
Ahhhhhh!

202_2 [Aquasplash-7]

EXT. AQUASPLASH - 7 - Outside the house

The Starcadets walk up to the LAZY TURTLES.

FINN
Okay, was that all your chores?

LAZY TURTLE MAIN
Oh I think there was one more thing… what was it… Oh yeah! I was supposed to throw this magic clam into the volcano.
